Mike,

This letter serves to inform the U.S. Environmental Protection Agency (EPA) of a change in Project Manager for this project. Effective today, EA's Project Manager for the Wilcox Oil Company Superfund Site will be Mr. Pat Appel. Mr. Appel is a senior scientist with over 17 years of technical and project management experience providing environmental consulting to government and private clients. He has successfully managed eight other projects under the EPA Region 6 Remedial Action Contract 2. His technical and project management experience will help Mr. Appel effectively manage this project.

Mr. Appel may be contacted at (972) 315-3922 or by email pappel@eaest.com. If you have any questions concerning this action, please do not hesitate to contact me at (972) 315-3922.

Sincerely,

Tim
